

**Welcome to Lincoln Park Ski Club's 2024 Trip to Park City!** You have chosen North America's largest and Utah's best-known ski resort. Park City is known for "the best snow on earth", outstanding dining, upscale shopping and vibrant nightlife. Park City is a high-altitude ski resort at 6,900 ft. and over 10,000 ft. at mountain top. To help get acclimated to the thin mountain air, drink plenty of water, limit alcohol consumption, avoid strenuous activity and get plenty of sleep for the first 24 hours.

Our trip leader, Karen Allabasatro and assistant trip leader, Rebecca Shaffer, have worked hard at putting together a thorough itinerary. It includes travel logistics, lodging, mountain information and dining/social options for each day of the trip. Take a few moments to review our itinerary and contact your trip leaders with any questions. Keep in mind that this itinerary includes "optional items". So choose what you'd like to do. We hope that you find this trip to be a social and fun experience.

**IMPORTANT:** Our Group Record Locator/Confirmation Code is **CBXQKG**. When you check in, you'll only see your reservation. You can change your seat assignment, check your bags and pay for them at that time. Check in will be similar to when you travel on your own reservation.

**IMPORTANT - if you purchased an Epic multi-day or season lift pass remember to bring it with you.** If you have not received your pass from Vail resorts, then bring your confirmation email with you to Park City, so that they can print your pass at a Breckenridge Lift Ticket Office.

A special welcome goes out to our new members – Eleni Bis Bis, Jonathan Shaffer, Rachael St Peter, Jeremiah Stuppy and Austin Walker. They are joining us for their first LPSC ski trip. We hope you have a wonderful mountain experience, make some new friends and join us for future trips & social events.

On our arrival day, all members are encouraged to join the group for a pizza party at the hotel's Versante restaurant. It's a great opportunity to share drinks and get to know your fellow skiers and trip leaders.

All members are encouraged to join us for a hot breakfast buffet each morning available off the lobby between 7-10 a.m. daily. Optional daily lunches are scheduled between 11:30am and 1pm on the mountain (see our itinerary for locations.) We hope that all participants join us as this is a great way to get to know your fellow trip members and plan your afternoon and evening. **Look for our lime green fanny packs.**

Optional Après ski will be scheduled beginning at 3:30 each day. There you can share a drink with fellow skiers after a terrific day of skiing. Optional dinner reservations have been planned/scheduled for most evenings. (See the itinerary for details and links to the restaurants' websites.) Note: we made a few reservations at various locations. If you would like to attend, then **Log into LPSC's website or mobile app using your user ID and password.** Go to the Event Calendar page and navigate to your preferred date. Click on the reservation button and follow the prompts to **reserve your spot.** Keep in mind that it is first come, first served.

Lastly, we encourage everyone to download LPSC's new mobile app to chat and locate your fellow trip participants on the mountain. (See itinerary for details.) If you like to share your photos then we also encourage you to download the "Photo Circle app" (See itinerary for details.)

Feel free to contact your trip leaders if you have any questions or concerns. During the trip, please call or text us and refrain from emailing us. We've tried to make this an exciting trip and we hope you enjoy your ski vacation with us.

Ski safe and have fun,

*Karen Allabasatro* (Trip Leader)     *Rebecca Shaffer* (Assistant Trip Leader)

#### **Dinner reminders:**

Sometimes dining with a large group can be a bit challenging when it's time to split the bill.

After dinner please keep following in mind when paying the bill –

- 1) If someone at your table did not drink, then they may not want to split the bill evenly. Consider giving them a break on the bill if you split it evenly.
- 2) In Breckenridge, Colorado the Combined Sales Tax Rate in 2024 = 9.04%
- 3) Check your tab carefully because some places add a gratuity to the bill. You may or may not want to supplement that.
- 4) For the wait staff at sit-down restaurants, the tip should be between 15% to 20% of the pretax bill.
- 5) Once you calculate your portion of the bill if you mark it up by 30% then that should cover the tax and tip adequately.
- 6) Please consider bringing cash as some restaurants don't process multiple credit cards.

**Bobsledding** – Bobsledding is available at cost of \$175/person in Utah Olympic Park. Bobsledding is available on Saturday (3/27) or Tuesday (3/30).
